

Experts in providing hospitality . . .

within the Nation's finest properties and gardens

“

I write to thoroughly recommend The Zest Group to meet your catering requirements. We have worked with the company for the last four years and in all our ventures with Zest I have found them utterly reliable. They have always shown great respect for the heritage of the building and have advised me using the experience they have built up from other heritage projects they are involved with.

Erica Ferguson, Bentley Priory

”

The Zest Group

The Zest Group is an industry leading hospitality organisation, offering premium dining, exquisite venues, event equipment and hospitality management services for both private and corporate functions. Founded in 2004, it is owned and operated by Managing Director Steven Hancock and Financial Director David Lewsley, FCA.

The Zest Group specialises in making hospitality work within historic properties; understanding the needs of the client, the constraints of the property and listening to the venue owners. We organise the initial logistics, through to the mouth-watering menus and customer focused serving teams. The portfolio of hospitality venues we work within, include, but are not limited to; Banqueting House, Stowe School, Bentley Priory, Wrest Park, The National Trust properties; Stowe Landscape Gardens and Claydon House and Bletchley Park.

Working in partnership; what we do

At Zest we listen to people, and we create the best possible solution. Our Nation contains many unsurpassed historic properties and gardens, built as family homes, holiday homes or indeed just for entertainment. We believe that they can house exquisite hospitality to a new audience of visitors, ones who may not know they exist.

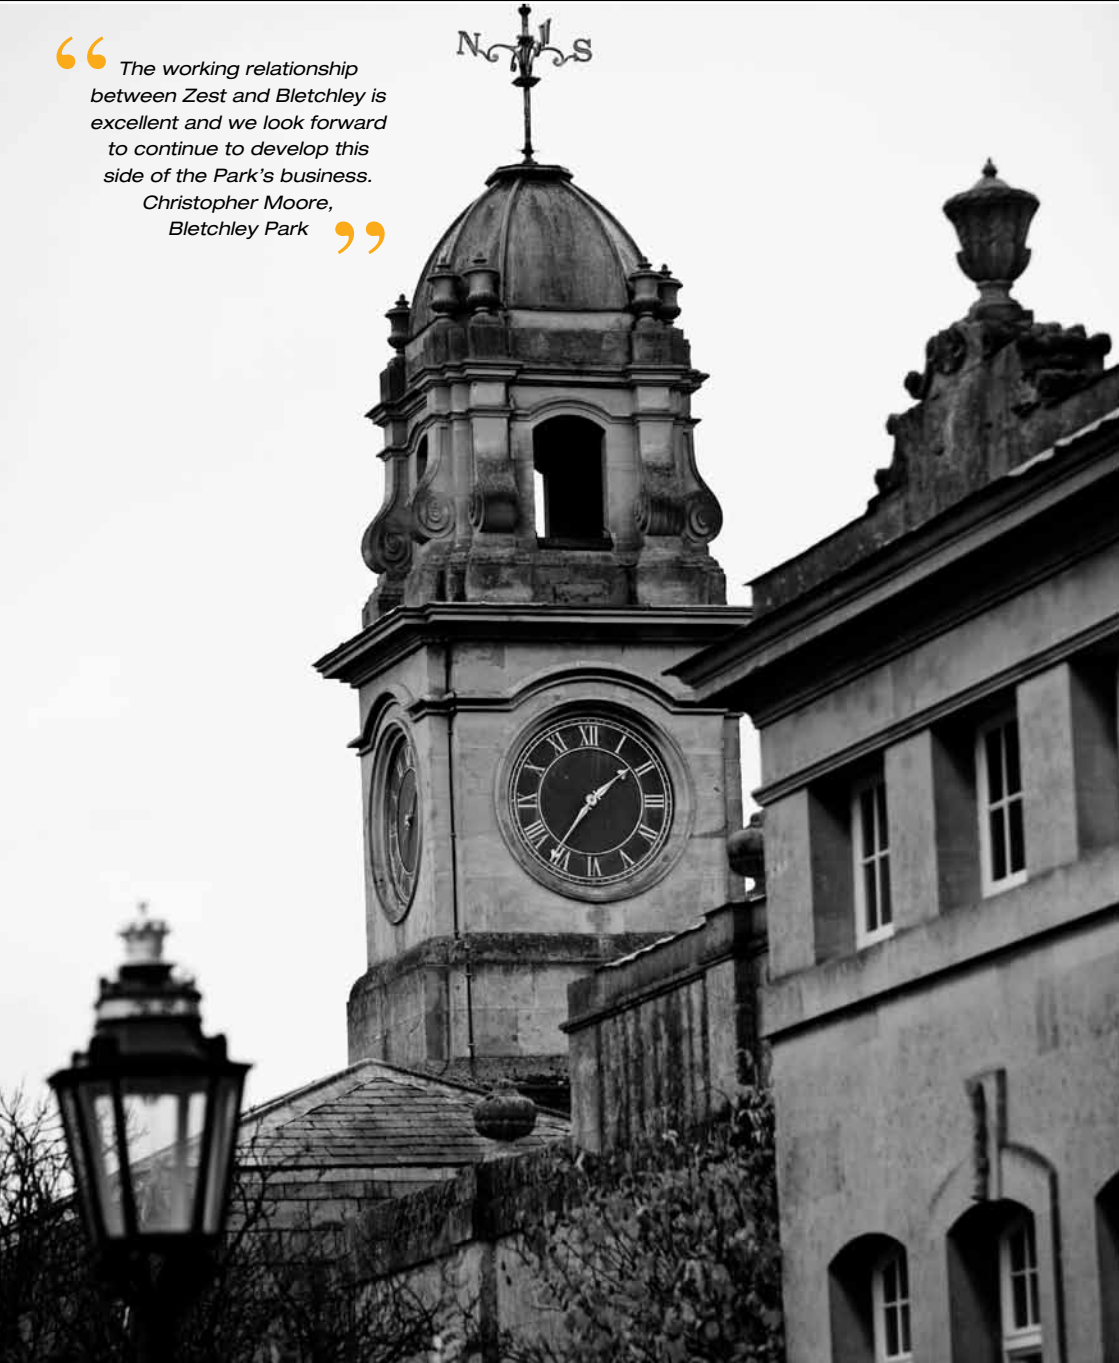

Since working at Bletchley Park, we have increased hospitality revenue by circa 60%, but also and most importantly raised the profile and to an extent opened the doors to a new visitor, a new customer a new supplier who now all share a passion for the building and a respect for its past.

The Zest team has experience second to none, our Executive Head Chef has had the privilege of working and learning under Anton Edelmann and Marco Pierre-White. He has managed back to back covers of over 8000 daily at venues such as Lords and Royal Ascot, and is equally enthusiastic about more exclusive events, from discrete Royal occasions to large wedding breakfasts. This experience and expertise allows Zest to create fantastic menus bespoke to venues using local suppliers to the venues we work within.

Our team is enthusiastic and experienced and have forms of communication dedicated to venues from our website to networking events. With a working knowledge of hospitality and historic properties gained from past employers such as The Prince's Regeneration Trust, The Mandarin Oriental and De Vere and a proven track record, the team will work with you. We shall increase your hospitality revenue, respect your property and most importantly work in partnership with you.

“ *The working relationship between Zest and Bletchley is excellent and we look forward to continue to develop this side of the Park’s business.*
Christopher Moore,
Bletchley Park ”

“ I confidently recommend Zest Caterers as a solid and reliable supplier, and true experts in their field. Tano Rea, The Royal Airforce Benevolent Fund ”

Future partnerships

The Zest Group have been working within historic properties since the company formed in 2004. We believe in close, long lasting client relationships and are experts in hospitality management.

We strive to ensure that every client has the best experience when dealing with us, and are proud to work with property owners, trusts and organisations. We, consider all, to be partners who we will be working with for future years. The Zest Group look forward to working with you demonstrating our excellent level of hospitality management.
